I'll eat my fruits and veggies if you eat yours!

Make healthy family meals and dog treats - at the same time!

Make Check for \$15.00 to _____

Each cookbook comes with a **strawberry, apple, carrot, or broccoli** squeaky toy. Specify in the memo section of your check which toy you want (the backs of the toys have been decorated by children of various ages, so they are all different).

I t's fun to make a new recipe, especially when it includes your 'best tailwaggin' friend'. So when you make a healthy meal for yourself or your family, pull out a few ingredients and make nutritious dog treats - all at the same time! And if you like to make crafts, try out the 4 gift set ideas to make for your friend and their dog. They are also good fundraiser ideas!
